

# HURRICANE RELIEF DRIVE

Help us pack the pallet! The RestorationHQ team, along with local property management teams and industry partners, will be loading the big truck to haul much needed hurricane relief supplies to aid the Houston area and beyond. Now that the water has receded, businesses and families are in dire need of supplies to help them dig out, recover and remediate the damage from mud, muck and other catastrophic debris. Donations will be stored locally by CBRE, so we have plenty of room to collect your contributions before we load the truck!

**COLLECTION PERIOD: Now through October 6th @ 5:00pm**

**DROPOFF LOCATION: 6263 N. Scottsdale Road, Suite 167  
Scottsdale, AZ 85250**
